

I JUST CAN'T WAIT. . .

1

I'm gonna be a mighty king So enemies beware

Well, I've never seen a king or beast

With quite so little hair

I'm gonna be the main event

Like no king was before

I'm brushing up on looking down

I'm working on my roar

Thus far, a rather uninspiring thing 234

Oh, I just can't wait to be king

/ no one sayin' DO THIS

No one saying, BE THERE

No one saying, "STOP THAT "

No one saying, "SEE HERE "

Free to run around all day Free to do it all my way

2/

I think it's time that you and I Arranged a heart to heart

Kings don't need advice

From little horn-bills for a start

· If this is where the monarchy is headed

1

Count me out

Out of service, out of Africa

I wouldn't hang about

This child is getting wildly out of wing

Oh, I just can't wait to be king

Everybody **look left**

Everybody **look right**

Everywhere you **look I'm**

Standin' in the **spotlight**

1. Let every creature go for broke and sing
2. Let's hear it in the herd and on the wing
3. It's gonna be King Simba's finest fling
