

I close my eyes and I can see

The world that's waiting up for me That I call my own

Through the dark, through the door Through where no one's been before
and it feels like home

*They can say, they can say it all sounds crazy

They can say, they can say I've lost my mind

I don't care, I don't care, so call me crazy

We can live in a world that we design 'Cause

every night I lie in bed The brightest colours fill my head

A million dreams are keeping me awake

I think of what the world could be A vision of the one I see

A million dreams is all it's gonna take

Oh a million dreams for the world we're gonna make

4 hrs piano

There's a house we can build Every room inside is filled

With things from far away

The special things I compile Each one there to make you smile

On a rainy day

*They can say, they can say it all sounds crazy

They can say, they can say we've lost our minds

I don't care, I don't care so call us crazy

Runaway to a world that we design

'cuz Every night I lie in bed The brightest colours fill my head

A million dreams are keeping me awake

I think of what the world could be A vision of the one I see

A million dreams is all it's gonna take

Oh a million dreams for the world we're gonna make

However big, however small Let me be part of it all

Share your dreams with me You may be right, you may be wrong

But say that you'll bring me along

To the world you see To the world

I close my eyes to see I close my eyes to see

Every night I lie in bed The brightest colours fill my head

A million dreams are keeping me awake A million dreams, a million dreams

I think of what the world could be A vision of the one I see

A million dreams is all it's gonna take

A million dreams for the world we're gonna make

For the world we're gonna make
