

I got my driver's license last week. Just like we always talked about

'Cause you were so excited for me. To finally drive up to your house

But today I drove through the suburbs. Crying 'cause you weren't around

And you're probably with that blonde girl. Who always made me doubt

She's so much older than me She's everything I'm insecure about. Yeah, to

day I drove through the suburbs. 'Cause how could I ever love someone

else?                      And I know we weren't perfect but I've

never felt this way for no one                                              and

I just can't imagine how you could be so okay now that I'm

gone. Guess you didn't mean what you wrote in that song about

me. 'Cause you said forever, now I drive alone past your

street

And all my friends are tired. Of hearing how much I miss you, but

I kinda feel sorry for them 'Cause they'll never know you the way that I do, yeah.

To

day I drove through the suburbs. And pictured I was driving home

to you and

I know we weren't perfect. But I've never felt this way for no

one, oh. And I just can't imagine how you

could be so okay, now that I'm gone. I guess

you didn't mean what you wrote in that song about me

'Cause

you said forever, now I drive alone past your street

Red lights, stop signs. I still see your face in the white cars, front yards

Can't drive past the places we used to go to. 'Cause

I still freakin' love you, babe (ooh, ooh, ooh, ooh)

Sidewalks we crossed. I still hear your voice in the

traffic, we're laughing. Over all the noise. God, I'm

so blue, know we're through. But I still freakin ' love you, babe (ooh, ooh, ooh,

ooh)

I know we weren't perfect but I've never felt this way for no

one And I just can't imagine how you

could be so okay, now that I'm gone guess

' you didn't mean what you wrote in that song about

me 'Cause you said forever, now I drive alone past your

street Yeah, you said forever, now I drive alone past your

street
