

Who knows how long I've loved you

You know I love you still

Will I wait a lonely lifetime

If you want me to, I will

For if I ever saw you

I didn't catch your name

But it never really mattered

I will always feel the same

Love you forever and forever

Love you with all my heart

Love you whenever we're together

Love you when we're apart

And when at last I find you

Your song will fill the air

Sing it loud so I can hear you

Make it easy to be near you

For the things you do endear you to me

You know I will. I will
